Garden City Community College Endowment Association, Commerce Trust Company of Garden City and Western Kansas Community Foundation, are proud to sponsor a Stewardship Counseling program every month. Appointments are offered at no cost to individuals and families who would like assistance in estate planning.

John Griffin serves a wide range of community foundations and private foundations across Kansas to offer this service. He also reviews existing estate plans free of charge. No products are sold or endorsed through this counseling process, just the opportunity to gain ideas. Stewardship Counseling is offered the fourth Thursday in each month. Please share your interest with any WKCF Board or staff member or call (620) 271-9484 for additional information.
