## NEW FUNDS

### ED & NELDA LEWIS FAMILY FUND

Ed & Nelda Lewis

Garden City has been home to Ed and Nelda Lewis for 52 years. Growing up in central Oklahoma, they both graduated from Oklahoma State University in 1952, the same year they were married. Ed's grandparents were early settlers in the Garden City area when he began visiting western Kansas. His trips continued until he and Nelda moved to Garden City in 1953. Two years later, with a small farming interest in hand, he took the big leap and opened an accounting office. The business grew and last year Lewis, Hooper & Dick, LLC, celebrated it's 50th year in business.

Ed and Nelda have three children, a daughter, Sonia, who lives in Sheridan, Wyoming; a son, Bob, in New York City and another son, Doug who resides in New Braunfels, Texas.

They are blessed with four grandchildren. The Garden City community provided various opportunities for their family. The local YMCA, schools, churches, 4-H clubs, Rotary Club and caring friends make this community special for it's citizens. Mr. & Mrs. Lewis believe their lives have been enriched from their many years in western Kansas and it is their hope to return to the community some of the blessings and wonderful experiences they have enjoyed through the years.

Since Ed's retirement ten years ago, the Lewis' have enjoyed their traveling experiences. Each time they return home, they become more aware of the uniqueness of the Garden City community ~ it's citizens, as well as community agencies and organizations that make it very special. They feel privileged to be able to share their blessings by establishing this fund at the Western Kansas Community Foundation for the future needs in Western Kansas.

### PHIL & SHERYL DICK FUND

Phil and Sheryl Dick are proud of the growth and accomplishments of the Western Kansas Community Foundation. They believe in the foundation's success and continued growth in the future. They are pleased to be among the original founders of the organization and to initiate a donor advised fund this year.

Phil is a CPA and former partner with Lewis, Hooper and Dick, LLC. He retired in June 2004. Sheryl retired from the Garden City Community College Endowment Association as Executive Director of the organization in June 2001.
